REASONS FOR ALLOWANCE

The following is an Examiner's statement of reasons for allowance:

Claim 1 has been found to be allowable over the prior art because the prior art fails to teach or suggest the combination of the first signal set determining means, the second signal set determining means, and the count reference determining means as claimed all of which, along with the other "means for" of the claim, have been interpreted under 35 USC 112, sixth paragraph.

Claims 2-13 have been found to be allowable over the prior art due to said claims dependency on claim 1.

Any comments considered necessary by the Applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
